Our Legal Services

Experienced Business Attorneys

Law Firm Targeted to Small and Medium-Sized Businesses

We are a law firm of highly experienced business attorneys. We can handle most of your business legal problems due to the depth and breadth of our business legal experience.

Our approach is to know your business and help you cost-effectively achieve your business goals. We will completely know your products, services, management team, competitors, issues, financial model, and goals. It is important for us to know your business before we can make the optimal recommendations.

Credentials and Experience

All our attorneys have over 20 years of business legal experience. Some have been General Counsel for public *Fortune 500* companies and some have started law departments for public companies.

Practice Areas

Our attorneys are highly experienced in a broad number of legal areas. We are capable of representing your business in areas from acquisitions to web issues and many areas in-between.

We have six Practice Areas:

- Corporate
- Intellectual Property
- Labor and Employment
- Law Department Consulting
- Litigation Management
- On-Site Law

Industries

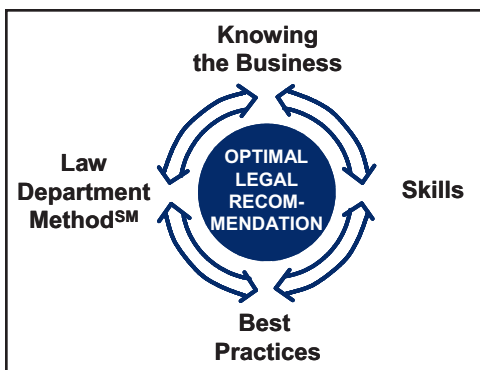

The attorneys of CorpLaw have served clients in many different industries, from automotive to utilities. It is likely that one of our attorneys has valuable experience in your industry.

Clients

We serve large clients such as Motorola, Allianz Insurance, and Océ North America, but we also like representing clients that are much smaller. CorpLaw develops legal solutions to increase your bottom line and achieve your business objectives. You will enjoy our fast response and practical advice – in plain English.

The Law Department Method

We use the *Law Department Method*SM. This unique service approach is a collection of corporate legal best practices gathered from America's best companies. It combines the skills of an in-house attorney with the benefits of a private practitioner.
