## Corporate Services

---

CorpLaw Associates uses highly skilled corporate attorneys to provide corporate legal services for its clients. Each attorney has practiced for at least 20 years and has corporate Law Department experience. The attorneys at CorpLaw have spent decades practicing in their respective field and several have previously worked for industry-leading corporations, including as General Counsel of public companies. This past experience and legal expertise has allowed CorpLaw to provide the best possible corporate legal services and strategic business planning.

CorpLaw's exclusive approach has helped a wide variety of clients. CorpLaw has served Fortune 50 public corporations, and has also helped start up businesses and companies under \$100 million in revenues. Companies of all sizes have benefited from the passionate one-on-one service that only an attorney who knows their business can provide. Smaller companies have also benefited from CorpLaw's experience practicing for industry leaders at the highest levels.

Following a unique and effective set of corporate best practices, CorpLaw has served clients in a variety of ways. CorpLaw attorneys have advised on a legal issues involving securities, board of directors matters, corporate governance, negotiation of professional service agreements, human resources, software acquisition, risk

management, audits, and much more. For example, CorpLaw attorneys created a company's first law department. They have also advised executives and managers on how to comply with legal regulatory schemes to avoid liability. CorpLaw attorneys have assisted clients in most every conceivable area of business law.

The attorney's expertise goes far beyond just the law. CorpLaw has also provided strategic business planning along with expert legal advice. CorpLaw attorneys have used their knowledge of a client's company and industry to help them achieve important business goals. For instance, CorpLaw attorneys have advised clients on how to grow their bottom line by taking advantage of favorable, but not readily apparent, legal options. They have also counseled their clients on how to implement risk management systems. CorpLaw combination of business and legal expertise allows CorpLaw attorneys to serve a client in a holistic and complete manner.
